

Project Management Jülich  
Forschungszentrum Jülich GmbH  
Mr Thomas Pieper  
Head of Communication and Business Development  
52425 Jülich Germany

and

University of Rostock  
Legally represented by the rector:  
Prof. Dr. Wolfgang Schareck  
Universitätsplatz 1  
18055 Rostock

### **§1 Consent to Use of Images, Graphics, etc.**

With my agreement, I grant Project Management Jülich and the University of Rostock the permission to use the image(s) and/or graphics\* it has received for **www.systemsmedicine.net** free of charge.

I hereby grant Project Management Jülich the non-exclusive right, unrestricted by time and place, to publish the image(s) and/or graphics it has received on **www.systemsmedicine.net**. I am aware that the editorial team has the right to process these image(s) and/or graphics.

With my agreement, I affirm that I hold the necessary rights in and to these image(s) and/or graphics, that the image(s) and/or graphics is/are free from any third-party rights, and that the image(s) and graphics does/do not infringe any personal rights.

I will indemnify Project Management Jülich and the University of Rostock against any claims by third parties should they nevertheless assert a claim of infringement of their rights.

### **§2 Editing and publishing of contributions**

We reserve the right to update, modify and remove contributions at any time without prior notice. We reserve the right not to publish contribution.
